

Specific Instructions

Form 565

Fill In All Applicable Lines and Schedules

Enter the total amounts on the applicable lines of Schedule K (565), Partners' Share of Income, Deductions, Credits, etc. **Do not** enter these items directly on Form 565, Side 1, Schedule A or Schedule D. **Do not** apply the apportionment factor to the items on Schedule K (565). Enter any items specially allocated to the partners on the applicable line of the partner's Schedule K-1 (565).

Whole numbers should be shown on the return and accompanying schedules.

Name, Address, FEIN, and California SOS File Number

The partnership may use its legal or trade name on all California returns and other documents filed. Print the partnership's legal or trade name, address, FEIN, and California SOS file number.

- Federal employer identification number (FEIN) (nine digits)
- Secretary of State (California SOS) file number is 12 digits and begins with "19" or "20"
- Partnership name (use the legal name filed with the California SOS) and address, include Private Mail Box (PMB) number, if applicable.

If the partnership leases a PMB from a private business rather than a PO box from the United States Postal Service, include the PMB in the address area. Example: 111 Main Street PMB 123.

Item C – Principal Business Activity Code (PBA)

California uses the 6-digit federal PBA Code based on the North American Industry Classification System (NAICS).

Common trust funds are required to use PBA code 525920. Investment clubs are required to use PBA code 523900. For further information, see the instructions for federal Form 1065.

Item F – Total Assets at End of Taxable Year

See the instructions for Question O before completing this item.

If the partnership is required to complete this item, enter the total assets at the end of the partnership's taxable year. This is determined by the accounting method regularly used to maintain the partnership's books and records. If there are no assets at the end of the taxable year, enter the total assets as of the beginning of the taxable year.

Income

Line 1 through Line 12

California's reporting requirements are generally the same as the federal reporting requirements. Follow the instructions for federal Form 1065 and only include trade or business activity income on line 1 through line 12. However, for California tax purposes, business income of the partnership is computed using the rules set forth in R&TC Section 25120. Therefore, certain income that may be portfolio income for federal purposes may be business income for California sourcing purposes. **Do not** include rental activity income or portfolio income on these lines. Rental activity income and portfolio income are separately reported on Schedule K (565) and Schedule K-1 (565). Rental real estate activities are also reported on federal Form 8825, Rental Real Estate Income and Expenses of a Partnership or an S Corporation. Attach a copy of federal Form 8825 to Form 565. Use California amounts and attach a statement reconciling any differences between federal and California amounts.

Use worldwide amounts determined under California law when completing these lines.

Form 565, line 4 through line 11 have been separated to report total gains and total losses. Net amounts are no longer reported.

Line 6 – Total Farm Profit

Line 7 – Total Farm Loss

Enter on line 6 the partnership's total farm profit from federal Schedule F (Form 1040), Profit or Loss from Farming, Line 36, Net farm profit or (loss). Enter on line 7 the partnership's total farm loss from federal Schedule F (Form 1040), Line 36. Attach federal Schedule F to Form 565. If the amount includable for California purposes is different from the amount on federal Schedule F, enter the California amount and attach a note explaining the difference.

Line 8 – Total Gain from Schedule D-1

Line 9 – Total Loss from Schedule D-1

Include only ordinary gains (losses) from the sale, exchange, or involuntary conversion of assets used in a trade or business activity. Ordinary gains (losses) from the sale, exchange, or involuntary conversion of rental activity assets must be reported separately on Schedule K (565) and Schedule K-1 (565).

A partnership that is a partner in another partnership must include on Schedule D-1, Sales of Business Property, its share of ordinary gains (losses) from sales, exchanges, or involuntary conversions (other than casualties or thefts) of the other partnership's trade or business assets.

Deductions

Line 13 through Line 22

California's reporting requirements are generally the same as the federal reporting requirements. Follow the instructions for federal Form 1065 and only include trade or business activity deductions on line 13 through line 21. Include amounts for repairs, rents, and taxes on line 21. **Do not** include any rental activity expenses or deductions that are allocable to portfolio income on these lines. Rental activity deductions and deductions allocable to portfolio income are separately reported on Schedule K (565) and Schedule K-1 (565).

Use worldwide amounts determined under California law when completing these lines.

Federal reporting requirements for organization expenses, syndication expenses, and uniform capitalization rules apply for California.

Claim of Right. To claim as a deduction, enter the amount on Line 21. If you elect to take the credit instead of the deduction, remember to use the California tax rate, add the credit amount to the total on line 27, Total payments. To the left of this total, write IRC 1341 and the amount of the credit.

Line 17a – Depreciation and Amortization

Enter on line 17a the total depreciation and amortization claimed on assets used in a trade or business activity. Complete and attach form FTB 3885P, Depreciation and Amortization, included in this booklet, to figure depreciation and amortization. Transfer the total from form FTB 3885P, line 6, to Form 565, Side 1, line 17a, or federal Form 8825, line 14, or as appropriate (use California amounts). See the instructions for form FTB 3885P for more information.

Do not include any expense deduction for recovery property (IRC Section 179; Enterprise Zones, R&TC Section 17267.2; Targeted Tax Area, R&TC Section 17267.6; and Local Agency Military Base Recovery Area, R&TC Section 17268) on this line. This expense is not deducted by the partnership. Instead, it is passed through separately to the partners and is reported on line 12 of Schedule K (565) and Schedule K-1 (565).

Line 24 – Tax

Enter the \$800 annual tax required for LPs, LLPs, and REMICs. See General Information, Annual Tax, for further details on the annual tax requirements.

Line 25 – Nonresident Withholding Credit

If taxes were withheld from payment to the partnership, the partnership can either allocate the entire withholding credit to all its partners or claim a portion (not to exceed the total tax due) and allocate the remaining portion to all its partners. If the partnership claims any of the amount withheld, attach Form 592-B from the withholding entity to the front lower portion of the partnership return. The partnership must file Forms 592 and 592-B to allocate any remaining withholding credit

to its partners. For more information, get FTB Pub. 1017, Nonresident Withholding Guidelines.

The above explanation does not apply to the nonconsenting nonresident member's tax paid by an LLC on behalf of the nonresident member. The nonconsenting nonresident members' tax is not related to the partnership withholding on nonresident partners. Therefore, the tax cannot be claimed using Forms 592 and 592-B; and cannot be claimed by the partnership on this line. The partnership will allocate the entire amount paid by the LLC on its behalf to all of its partners on Schedule K (565) and Schedule K-1 (565), line 15e.

Line 29 – Use Tax

As explained on page 9, California use tax applies to purchases from out of state sellers (for example, purchases made by telephone, over the Internet, by mail, or in person). For questions on whether a purchase is taxable, go to State Board of Equalization's website at boe.ca.gov, or call their Information Center at (800) 400-7115 or TTY/TDD (800) 735-2929.

A partnership may report use tax on its Partnership Return of Income instead of filing a use tax return with the California State Board of Equalization. To report use tax on the partnership tax return, complete the Use Tax Worksheet below.

If the partnership owes use tax but does not report it on its Partnership Return of Income, the partnership must report and pay the tax to the California State Board of Equalization. To do so, download a copy of Publication 79-B, California Use Tax, from boe.ca.gov or request a copy by calling their Information Center.

To avoid late payment penalties for use tax, the partnership must report and pay the use tax with a timely filed income tax return. Failure to timely report and pay the use tax due may result in the assessment of penalties.

Note: Businesses that have a California seller's permit must continue to report business purchases subject to use tax on their sales and use tax returns.

Use Tax Worksheet	
Round all amounts to the nearest whole dollar.	
1. Enter purchases from out-of-state or Internet sellers made without payment of California sales/use tax. See worksheet instructions below	\$.00
2. Enter the decimal equivalent of the applicable sales and use tax rate. See worksheet instructions below	
3. Multiply line 1 by the tax rate on line 2. Enter result here	\$.00
4. Enter any sales or use tax paid to another state for purchases included on line 1. See worksheet instructions below	\$.00
5. Total Use Tax Due. Subtract line 4 from line 3. Enter the amount here and on line 29. If the amount is less than zero, enter -0-	\$.00

Worksheet, Line 1, Purchases Subject to Use Tax

- Report items that would have been taxable in a California store, such as office equipment and supplies.
- Include handling charges.
- Do not include any other state's sales or use tax paid on the purchases.
- Enter only purchases made during the year that corresponds with the tax return the partnership is filing.

Note: Report and pay any use tax you owe on the following purchases to the State Board of Equalization, not on your income tax return.

- Vehicles, vessels, and trailers that must be registered with the Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
- Vessels documented with the U.S. Coast Guard.
- Aircraft.
- Leases of machinery, equipment, vehicles, and other tangible personal property.

Worksheet, Line 2, Sales and Use Tax Rate

- Enter the decimal equivalent of the sales and use tax rate applicable to the place in California where the property is used, stored, or otherwise consumed. For example, the decimal equivalent of 7.25% is 0.0725, and the decimal equivalent of 7.375% is 0.07375.
- If the partnership does not know the applicable rate, see the table on this page and on the following page. "Sales and Use Tax Rates by County." If the partnership has questions regarding the use tax rate in effect in the partnership's area, go to the State Board of Equalization's website at boe.ca.gov or call their Information Center at (800) 400-7115 or TTY/TDD (800) 735-2929.

Worksheet, Line 4, Credit for Tax Paid to Another State

- This is a credit for tax paid to other states. The partnership cannot claim a credit greater than the amount of tax that would have been due if the purchase had been made in California. For example, if the partnership paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, the partnership can claim a credit of only \$6.00 for that purchase.

- Many cities in California impose a district tax which results in a higher sales and use tax rate than in other parts of the county. If you are reporting an item that was purchased for use in one of these counties, please check the following city list to see if a higher rate applies to your city. The tax rates shown apply within the city limits of the listed community.

Schedule A — Cost of Goods Sold

California's reporting requirements are generally the same as the federal reporting requirements. Follow the instructions for federal Form 1065, Schedule A.

Questions

Question J

Check only one box for this question. The partnership checks the box that best describes its business type. For definitions of general partnership, limited partnership, REMIC, and LLP, see General Information, Definitions, and the instructions for federal Form 1065.

The term "doing business" means actively engaging in any transaction for the purpose of financial gain or profit (R&TC Section 23101).

Line Item 6 of Question J is for other types of entities not previously mentioned on line 1 through line 5. If your entity is not a general partnership, ~~limited partnership~~, REMIC, or LLP, then check the box for line item 6 only. In the space provided, write in the type of entity.

Question K

Enter the maximum number of partners in the partnership during the taxable year. The number of Schedules K-1 (565) sent via magnetic media or attached to Form 565, must equal the number of partners entered in Question K. **Do not** use abbreviations or terms such as "Various."

Question O

If the answers to Question 5a through Question 5c on federal Form 1065, Schedule B are all "Yes," answer "Yes" to Question O on Form 565.

If Question O is answered "Yes," the partnership is not required to complete Schedules L, M-1, M-2, or Item F, on Side 1 of Form 565 or Item J on Schedule K-1 (565).

Question T

All partnerships **must** answer all three questions. If you do not own or lease (as specified below) real property in California, answer "No" to the questions. (Real property includes land, buildings, structures, and fixtures — see R&TC Section 104).

The questions provide information regarding changes in ownership with regard to real property held by legal entities (R&TC Section 64). If any of the answers are "Yes," a Statement of Change in Control and Ownership of Legal Entities (BOE-100-B) must be filed with the California State Board of Equalization (BOE); failure to do so may result in substantial penalties. Forms and information may be obtained from the BOE website at boe.ca.gov and can be accessed through **Property Tax**, and then **Legal Entity Ownership Program**.

There may be a change in ownership or control if, during this year, one of the following occurred with respect to this partnership (or any legal entity in which it holds a controlling or majority interest):

- The percentage of partnership interests transferred to, or owned or controlled by **one** person or **one** legal entity cumulatively exceeded 50%.
- The total partnership interests transferred to or held by **one** irrevocable trust or trust beneficiary cumulatively exceeded 50%.
- This partnership, or any legal entity in which it holds a controlling or majority interest, cumulatively acquired ownership or control of more than 50% of the partnership or other ownership interests in any legal entity.
- As of the end of this year, cumulatively more than 50% of the total partnership interests have been transferred or the partnership experienced a change in ownership or control in one or more transactions since March 1, 1975.

For purposes of these questions, leased real property is a leasehold interest in taxable real property: (1) leased for a term of 35 years or more (including renewal options), if not leased from a government agency; or (2) leased for any term, if leased from a government agency. R&TC section 64(e) requires this information for use by the California State BOE.

Question U

California requires taxes to be withheld from certain payments or allocations of income and sent to the FTB (R&TC Section 18662 and Section 18666). If upon examination, the FTB determines that tax withholding was required, the partnership can be liable for the tax and penalties.

The reference to Forms 592, 592-A, 592-B, and 592-F relates to withholding done by the partnership. If you need additional information concerning partnership withholding, see General Information, Required Information Returns, and Withholding Requirements.

Question V – Investment Partnership.

An “investment partnership” is a partnership that meets the following two criteria:

1. No less than 90% of the cost of the partnership's total assets consist of:
 - Qualifying investment securities
 - Deposits at banks or other financial institutions
 - Office equipment and office space reasonably necessary to carry on the activities of an investment partnership
2. No less than 90% of the partnership's gross income is from interest, dividends, and gains from the sale or exchange of qualifying investment securities defined in R&TC Section 17955 and Section 23040.1.

Qualifying investment securities include all of the following:

- Common and preferred stock, as well as debt securities convertible into common stock.
- Bonds, debentures, and other debt securities.
- Foreign and domestic currency deposits or equivalent and securities convertible into foreign securities.
- Mortgage-backed or asset-backed securities secured by governmental agencies.
- Repurchase agreements and loan participations.
- Foreign currency exchange contracts and forward and futures contracts on foreign currencies.
- Stock and bond index securities and futures contracts, and other similar securities.
- Regulated futures contracts.
- Options to purchase or sell any of the preceding qualified investment securities, except regulated futures contracts.

Qualifying investment securities do not include an interest in a partnership, unless the partnership qualifies as an investment partnership. See R&TC Section 17955 and Section 23040.1 and General Information, Investment Partnerships, for more information.

Question X

Federal Form 8886, Reportable Transaction Disclosure Statement, is ~~required to be attached to any return on which a deduction, loss, credit, or any other tax benefit is claimed or is reported, or any income the partnership's reported from an interest in a reportable tax shelter.~~ If the partnership is required to file this form with the federal return, attach a copy to the partnership's Form 565. Do not attach copies of federal Schedules K-1 (1065).

A material advisor is required to provide a reportable transaction number to all taxpayers and material advisors for whom the material advisor acts as a material advisor.

A Reportable Transaction is any transaction as defined in R&TC Section 18407 and Treas. Reg. 1.6011-4 and includes, but is not limited to:

- A Confidential Transaction, which is offered to a taxpayer under conditions of confidentiality and for which the taxpayer has paid a minimum fee.
- A transaction with contractual protections which provides the taxpayer with the right to a full or partial refund of fees if all or part of the intended tax consequences from the transaction are not sustained.
- A loss transaction under Section 165, which is at least \$10 million in any one-year or \$20 million in any combination of taxable years for a partnership that has only corporations as partners, (looking through partners that are themselves partnerships); or, \$2 million in any one-year or \$4 million in any combination of taxable years for all other partnerships. ~~(Those numbers would be reduced to \$2 million and \$4 million on the Form 100S, California S Corporation Franchise or Income Tax Return).~~
- A transaction of interest, which is a transaction that is the same as or substantially similar to one of the types of transactions that has been identified by the Internal Revenue Service as a transaction of interest (entered into on or after November 2, 2006).

- A Listed Transaction is a specific reportable transaction, or one that is substantially similar, which has been identified by the Internal Revenue Service or the Franchise Tax Board to be a tax avoidance transaction.

Schedule L — Balance Sheets

California's reporting requirements are the same as the federal reporting requirements. The amounts reported on the balance sheet should agree with the books and records of the partnership and should include all amounts whether or not subject to taxation. Attach a statement explaining any differences between federal and state amounts or any differences between the balance sheet and the partnership's books and records. Follow the instructions for federal Form 1065, Schedule L.

Domestic partnerships with 10 or fewer partners may not have to complete Schedule L. See the instructions for Question O for the specific requirements to qualify for this exception.

Schedule M-1, Reconciliation of Income (Loss) per Books With Income (Loss) per Return, Schedule M-2, Analysis of Partner's Capital Accounts

Domestic partnerships with 10 or fewer partners may not have to complete Schedule M-1, Schedule M-2, or Item J on Schedule K-1 (565). See the instructions for Question O for the specific requirements to qualify for this exception.

If the partnership is required to complete Schedule M-1 and Schedule M-2, the amounts shown should agree with the partnership's books and records and the balance sheet amounts. Attach a statement explaining any differences.

Use worldwide amounts determined under California law when completing Schedule M-1. Also, the amounts on Schedule M-2 should equal the total of the amounts reported in Item J, column (c), of all the partners' Schedules K-1 (565).

Net Income (Loss) Reconciliation for Certain Partnerships. For taxable years beginning on or after January 1, 2006, the IRS requires certain partnerships to complete Schedule M-3 (Form 1065), Net Income (Loss) Reconciliation for Certain Partnerships, instead of Schedule M-1, Reconciliation of Income (Loss) per Books With Income (Loss) per Return. For California purposes, the corporation must complete the California Schedule M-1, and attach either of the following:

- A copy of the Schedule M-3 (Form 1065) and related attachments to the California Franchise or Income Tax Return.
- A complete copy of the federal return.

FTB will accept the Schedule M-3 (Form 1065) in a spreadsheet format if more convenient.

Schedule K (565) and Schedule K-1 (565) — Partner's Shares of Income, Deductions, Credits, Etc.

Purpose of Schedules

Schedule K (565) is a summary schedule for the partnership's income, deductions, credits, etc. and Schedule K-1 (565) shows each partner's distributive share. The line items for both of these schedules are the same unless otherwise noted.

One copy of each Schedule K-1 (565) must be attached to Form 565 when it is filed with the FTB. For alternative methods of filing Schedules K-1 (565), see General Information, Substitute Schedules.

Be sure to give each partner a copy of their respective Schedule K-1 (565). Also include a copy of the Partner's Instructions for Schedule K-1 (565) or specific instructions for each item reported on the partner's Schedule K-1 (565). These items should be provided to the partner on or before the due date of the Form 565.

Schedule K (565) Only

In column (b), enter the amounts from federal Schedule K. In

column (c), enter the adjustments resulting from differences between California and federal law (not adjustments relating to California source income). In column (d) on Schedule K (565), enter the worldwide income computed under California law. For partners to comply with the requirements of IRC Section 469, trade or business activity income (loss), rental activity income (loss), and portfolio income (loss) must be considered separately by the partners. Rental activity income (loss) and portfolio income (loss) are not reported on Form 565, Side 1 so that these amounts are not combined with trade or business activity income (loss). Schedule K (565) is used to report the totals of these (and other) amounts.

Apportioning partnerships only

Once the Schedule K (565) has been completed, apportioning partnerships should also complete Schedule R before completing its partners' Schedules K-1 (565).

Compliance with Partnership Filing Requirements

To help ensure the accurate and timely processing of the partnership's Form 565, please verify the following:

- A California approved Schedule K-1 (565) has been sent via magnetic media or attached (to Form 565) for each partner identified on Form 565, Side 2, Question K. Partnerships eligible for the reduced filing program, see General Information, Who Must File.
- The Schedule K-1 (565) contains the partner's correct name, address, and identifying number in the correct fields.
- Questions A through I are completed on Side 1 of Schedule K-1 (565).
- The appropriate entity type box (Schedule K-1 (565), Side 1, Question B) is checked for each partner.
- All Schedules K-1 (565) reconcile to Form 565, Schedule K (565).
- The partner's percentage (Schedule K-1 (565) Question D) is expressed in decimal format and carried to four decimal places (i.e., 33.5432). Do not print fractions, the percentage symbol (%), or use terms such as "Various."
- Substitute computer-generated Schedule K-1 (565) forms **must** be approved by the FTB.

For the highest rate of accuracy and rapid processing, file Schedules K-1 (565) on CD or diskette. See General Information, Substitute Schedules, for more details.

Schedule K-1 (565) Only

The partnership completes the entire Schedule K-1 (565) filling out the partner's and partnership's information (name, address, identifying numbers), Questions A through J, and the partner's distributive share of items.

For partners with PMB addresses, include the designation number in the partner's address area. Precede the number (or letter) with "PMB."

For each individual partner, enter the partner's social security number. For all other partners enter the FEIN. However, if a partner is an individual retirement account (IRA), enter the identifying number of the custodian of the IRA. **Do not** enter the social security number of the person for whom the IRA is maintained.

The partnership files one California Schedule K-1 (565) for each partner either by CD or diskette or by attaching a copy to the partnership return. **Do not** attach federal Schedules K-1 (1065). These forms are not California approved forms.

Determining the Source of the Partnership's Income for a Resident Partner

A resident partner should include the entire distributive share of partnership income in their California income. If the partnership is apportioning, the partner may be entitled to a credit for taxes paid to other states. The partner should be referred to Form 540, Schedule S, Other State Tax Credit, for more information.

Determining the Source of the Partnership's Income for a Nonresident Partner

Business income: Regardless of the classification of income for federal purposes, income from California sources is determined in accordance with California law, (Cal. Code Regs., tit. 18 section 17951-4). California

source business income of a trade or business is determined by apportionment, if the partnership conducts any of the following:

- A trade or business wholly within California, the income from that trade or business is California source income.
- A business within and outside California, but the part within California is so separate and distinct that it can be separately accounted for, then only that separate income within California is California source income.
- A single trade or business within and outside California.

The partnership should apportion business income using the Uniform Division of Income for Tax Purposes Act (R&TC Section 25120 through Section 25139). Special rules apply if the partnership has income that is not attributable to the trade or business of the partnership (nonbusiness income).

Nonbusiness Income: Nonbusiness income attributable to real or tangible personal property (such as rents, royalties, gains, or losses) located in California is California source income (Cal. Code Regs., tit. 18 section 17951-3 and R&TC Section 25124 and Section 25125). Enter this information on the appropriate line of Schedule K-1 (565). If the partnership believes it may have a unitary partner, the information should also be entered on Side 3, Table 2, Part B, for that partner.

The source of nonbusiness income attributable to intangible property depends upon the partner's state of residence or commercial domicile. Individuals generally source this income to their state of residence and corporations to their commercial domicile.

Because the determination of the source of intangible nonbusiness income must be made at the partner level, this income is not entered on Schedule K-1 (565), column (e). It is entered only on Side 3, Table 1.

Completing Schedule K-1 (565)

Questions A through I

See the Instructions for federal Form 1065, Specific Instructions, Schedule K-1 Only, Part II, Information About the Partner, for more information on completing question A through Question I.

Questions A and B, Schedule K-1 (565)

Check the appropriate box to indicate a general or limited partner and the partner's entity type. An exempt organization should check box 10 regardless of its legal form.

Question C, Schedule K-1 (565)

Check the appropriate box to indicate if this is a foreign partner.

Questions D and E, Schedule K-1 (565)

Percentages must be four to seven characters in length and have a decimal point before the four final characters. For example, 50% is represented as 50.0000, 5% as 5.0000, 100% as 100.0000. Do not enter fractions, the percentage symbol (%), or use terms such as "Various."

For more information on completing Questions D and E, see the instructions for federal Form 1065, Specific Instructions, Schedule K-1 Only, Part II, Information About the Partner.

Question F, Schedule K-1 (565)

Enter the reportable transaction number, if applicable. See instructions for Form 565 Question X for more information.

Question G, Schedule K-1 (565)

Check the box if this is a publicly traded partnership and/or an investment partnership.

Question H, Schedule K-1 (565)

Check the box if this is a final Schedule K-1 (565) and/or an Amended Schedule K-1 (565).

Question I, Schedule K-1 (565)

Check the appropriate box to indicate if this partner is a nonresident of California.

- In **column (b)**, enter the amounts from federal Schedule K-1 (1065).
- In **column (c)**, enter the adjustments resulting from differences between California and federal law for each specific line item.
- In **column (d)**, enter the result of combining column (b) and column (c). This is total income under California law.

Column (e) is used to report California source amounts and credits. Include the following items in this column:

1. Income from separate businesses, trades, or professions conducted wholly within California, Cal. Code Regs., tit. 18 section 17951-4(a).
2. Income from a trade or business conducted within and outside California, when the part of business conducted within California can be separately accounted for, Cal. Code Regs., tit. 18 section 17951-4(b).
3. Income from a trade or business conducted within and outside California that is apportioned to California. This includes intangible income attributable to the business, trade, or profession, Cal. Code Regs., tit. 18 section 17951-4(c) and R&TC Sections 25128 through 25137. Generally, the partnership should apportion business income using a four-factor formula consisting of property, payroll, and a double-weighted sales factor. Use a three-factor formula consisting of payroll, property, and a single-weighted sales factor if more than 50% of the business receipts of the partnership are from agricultural, extractive, savings and loans, banks, and financial activities. Apportioning partnerships should complete Schedule R and attach it to Form 565.
4. Nonbusiness income from real and tangible property located in California. Enter the partner's share of nonbusiness income from real and tangible property located in California in column (e). If the partnership believes it may have a unitary partner, enter this income in Table 2, Part B.
5. California credits.

Nonbusiness income from intangible property should not be entered in column (e). Enter this income in Table 1. For more information, see Partner's Instructions for Schedule K-1 (565).

Completing Column (d) and Column (e)

Schedule K-1 (565), column (d), includes the partner's distributive share of total partnership income, deductions, gains, or losses under California law. Column (e) includes only income, deductions, gains, or losses that are apportioned or sourced to California. The computation of these amounts is a matter of law and regulation. The residency of the partner is not a factor in the computation of amounts to be included in column (d) and column (e).

For a partnership that is doing business wholly within California, column (e) will generally be the same as column (d), except for nonbusiness intangible income (for example, nonbusiness interest, dividends, gains, or losses from sales of securities).

For a partnership that is doing business within and outside California, the amounts in column (d) and column (e) may be different.

If the partnership knows the partner is a resident individual, then the partnership answers "No" to Question 1 on Schedule K-1 (565), and completes column (d) only. Otherwise, the partnership should complete column (e) for all other partners.

Completing Table 1

Complete Table 1 only if the partnership has nonbusiness intangible income. If the partnership has nonbusiness intangible income, but knows that the partner is a resident individual, then the partnership does not need to complete Table 1 for the partner.

Completing Table 2

The partnership does not need to complete Table 2 for a partner, if the partnership knows that the partner is not unitary with its trade or business or any other trade or business.

Special Rules for Partners and Partnerships in a Single Unitary Business

Special rules apply if the partnership and a partner are engaged in a single unitary business. In that case, a unitary partner will not use the income information shown in column (e). Instead, the partner's distributive share of business income is combined with the partner's own business income. The combined business income is apportioned using an apportionment formula that consists of an aggregate of the partner's share of the apportionment factors from the partnership and the partner's apportionment factors, Cal. Code Regs., tit. 18 section 25127-1(f). The determination of whether a three-factor or

four-factor apportionment formula applies to the combined income will be made at the partner level. The partner's distributive share of business income and property, payroll, and sales factors are entered in Table 2.

If the partnership knows that all of the partners are unitary with the partnership, the partnership need not complete column (e) for any of the Schedules K-1 (565) or attach a Schedule R. For further information, see Partner's Instructions for Schedule K-1 (565).

Special Reporting Requirements for Passive Activities

If items of income (loss), deduction, or credit from more than one activity are reported on Schedule K-1 (565), the partnership must attach a statement to Schedule K-1 (565) for each activity that is a passive activity to the partner. Rental activities are passive activities to all partners; trade or business activities are passive activities to limited partners and to general partners who do not materially participate in the activity. The statement must include all the information explained in the instructions for federal Schedule K-1 (1065).

Specific Line Instructions

The California Schedule K (565) generally follows the federal Schedule K (1065). Where California and federal laws are the same, the instructions for California Schedule K (565) refer to the instructions for federal Schedule K (1065).

When completing the California Schedule K and Schedule K-1 (565), refer to the Federal/State Line References chart that shows the specific line references between the federal Schedule K and Schedule K-1 (1065), and the California Schedule K and Schedule K-1 (565).

Income

Line 1 through Line 11c

See the instructions for federal Form 1065, Specific Instructions Schedules K and K-1, and Schedule K-1 (565) Income (Loss), line 1 through line 11.

Schedule K (565) must include all income and losses from the partnership activities as determined under California laws and regulations. Any differences reported between the federal and California amounts should be related to differences in the tax laws. Do not apply the apportionment formula to the income or losses on Schedule K (565).

Line 10 – Enter on line 10, the amount shown on Schedule D-1, Sales of Business Property, line 7. **Do not** include specially allocated ordinary gains and losses or net gains or losses from involuntary conversions due to casualties or thefts. Instead, report them on line 11b or line 11c.

If the partnership has more than one activity and the amount on line 10 is a passive activity amount to the partner, attach a statement to Schedule K-1 (565) that identifies to which activity the IRC Section 1231 gain (loss) relates.

Deductions

Line 12 through Line 13

See the instructions for federal Form 1065, Specific Instructions Schedules K and K-1 and Schedule K-1 (565), Deductions, line 12, and line 13a through line 13d.

Effective for taxable years beginning on or after January 1, 2003, California will follow the revised federal instructions for reporting the sale, exchange or disposition of property for which an IRC Section 179 expense deduction was claimed in prior years by a partnership. ~~If you elect the Section 17267.2 business expense deduction, you may not claim a Section 179 depreciation deduction for this asset.~~

California has not conformed to the federal Job Creation and Worker Assistance Act of 2002 that allows taxpayers to take an additional first-year depreciation deduction and Alternative Minimum Tax depreciation adjustment for property placed in service after September 10, 2001.

Line 13a – Charitable Contributions

Enter the total amount of charitable contributions made by the partnership during its taxable year on Schedule K (565) and each partner's distributive share on Schedule K-1 (565). Attach an itemized list to both schedules showing the amount subject to the 50%, 30%, and 20% limitations.

Partners are allowed a deduction for contributions to qualified organizations as provided in IRC Section 170. For taxable years beginning on or after January 1, 2002, California law conforms to the federal law, relating to the denial of the deduction for lobbying activities, club dues, and employee remuneration in excess of one million dollars. California conforms to IRC Section 170(f)(8) substantiation requirement for charitable contributions.

Line 13b – Interest Expense on Investment Debts: This line must be completed whether or not a partner is subject to the investment interest rules. Enter the interest paid or accrued to purchase or carry property held for investment. Property held for investment includes property that produces portfolio income (interest, dividends, annuities, royalties, etc.). Therefore, interest expense allocable to portfolio income should be reported on line 13b of Schedule K (565) and Schedule K-1 (565), rather than line 13d of Schedule K (565) and Schedule K-1 (565).

Property held for investment includes a partner's interest in a trade or business activity that is not a passive activity to the partnership and in which the partner does not materially participate. An example would be a partner's working interest in an oil and gas property (i.e., the partner's interest is not limited) if the partner does not materially participate in the oil and gas activity. Investment interest does not include interest expense allocable to a passive activity. For more information, get form FTB 3526, Investment Interest Expense Deduction.

Line 14

The information reported on line 14 of the federal Schedule K (1065), and federal Schedule K-1(1065), does not apply to California and therefore there is no line 14.

Credits

Line 15a – Total Withholding, Schedule K-1 (565) only

If taxes were withheld by the partnership or if there is a pass-through withholding credit from another entity, the partnership must provide each affected partner (including California residents) a completed Form 592-B. Partners must attach Form 592-B to the front of their California return to claim withheld amounts. Schedule K-1 (565) may **not** be used to claim this withholding credit.

Line 15b through Line 15d

These lines relate to rental activities. Use line 15f to report credits related to trade or business activities.

California line numbers are different from federal line numbers in this section.

Line 15b – Low-Income Housing Credit

A credit may be claimed by owners of residential rental projects providing low-income housing (IRC Section 42). Generally, the credit is effective for buildings placed in service after 1986. Get form FTB 3521, Low-Income Housing Credit, for more information.

Line 15c – Credits Related to Rental Real Estate Activities Other Than Line 15b

Report any information that the partners need to figure credits related to a rental real estate activity, other than the low-income housing credit. Attach to each partner's Schedule K-1 (565) a statement showing the amount to be reported and the applicable form on which the amount should be reported.

Line 15d – Credits Related to Other Rental Activities

Use this line to report information that the partners need to figure credits related to a rental activity. Attach to each partner's Schedule K-1 (565) a statement showing the amount to be reported and the applicable form on which the amount should be reported.

Line 15e – Nonconsenting Nonresident Member's Tax Allocated to All Partners

If income tax was paid by an LLC on behalf of a member that is a partnership because the general partner in the partnership did not sign form FTB 3832, the amount paid is entered on the member's Schedule K-1 (568), line 15e. This credit is allocated to all partners according to their partnership interest. Partners must attach a copy of the Schedule K-1 (568), previously issued to their partnership by the

LLC as well as the Schedule K-1 (565) issued by their partnership, to their California tax return to claim their share of the tax paid by the LLC on their partnership's behalf.

Line 15f – Other Credits

Attach a statement showing each partner's allocable share of any credit or credit information that is related to a trade or business activity.

Credits that can be reported on line 15f include:

- Community Development Financial Institution Deposits Credit. Use credit code 209.
- Disabled Access Credit for Eligible Small Businesses. Get form FTB 3548.
- Donated Agricultural Products Transportation Credit. Get form FTB 3547.
- Employer Child Care Program/Contribution Credit. Get form FTB 3501.
- Enhanced Oil Recovery Credit. Get form FTB 3546.

- Manufacturing Enhancement Area (MEA) Hiring Credit. Get form FTB 3808.
- Natural Heritage Preservation Credit. Get form FTB 3503.
- Prison Inmate Labor Credit. Get form FTB 3507.
- Research Credit. Get form FTB 3523.
- **Rice Straw Credit. Use credit code 206.**
- Targeted Tax Area (TTA) Hiring and Sales or Use Tax Credit. Get form FTB 3809.

Line 15f may also include the distributive share of net income taxes paid to other states by the partnership. Subject to limitations of R&TC Section 18001 and R&TC Section 18006, partners may claim a credit against their individual income tax for net income taxes paid by the partnership to another state. The amount of tax paid must be supported by a schedule of payments and evidence of tax liability by the partnership to the other states. **Refer partners to Form 540, Schedule S for more information.**

All of the above credit forms **and many other forms** are available on our website at ftb.ca.gov.

Line 16

The information reported on line 16 of the federal Schedule K (1065) and federal Schedule K-1(1065), Foreign Transactions, does not apply to California and therefore there is no line 16.

Alternative Minimum Tax (AMT) Items

Line 17a through Line 17f

Enter each partner's distributive share of income and deductions that are adjustments and tax preference items. Get Schedule P (540), Alternative Minimum Tax and Credit Limitations — Residents, Schedule P (540NR), Alternative Minimum Tax and Credit Limitations — Nonresidents or Part-Year Residents, Schedule P (541), Alternative Minimum Tax and Credit Limitations — Fiduciaries, Schedule P (100), Alternative Minimum Tax and Credit Limitations — Corporations, or Schedule P (100W), Alternative Minimum Tax Credit Limitations – Water's-Edge Filers, to determine amounts and for other information.

California law conforms to the existing federal law eliminating the deduction for contributions of appreciated property as an item of tax preference. As a result, taxpayers no longer need to include in their computation of Alternative Minimum Taxable Income the amount by which any allowable deduction for contributions of appreciated property exceeds the taxpayer's adjusted basis in the contributed property.

For additional information, see instructions for federal Schedule K (1065), Alternative Minimum Tax (AMT) Items, line 17a through line 17f. For differences between federal and California law for alternative minimum tax (AMT), see R&TC Section 17062.

Tax-Exempt Income and Nondeductible Expenses

Line 18a through Line 18c – Tax-exempt income and Nondeductible Expenses

Enter on Schedule K (565) the amounts of tax-exempt interest income, other tax-exempt income, and nondeductible expenses from federal Schedule K (1065) lines 18a, 18b, and 18c. Enter on Schedule K-1 (565) the amounts of tax-exempt income, other tax-exempt income, and nondeductible expenses, from federal Schedule K-1 (1065) box 18. The partnership should give each partner a description and the amount of the partner's share for each item applicable to California in this category.

Distributions

Line 19a through Line 19b – Distributions

Enter on Schedule K (565) the amounts of cash and marketable securities, and other property from federal Schedule K (1065), line 19a and 19b. Enter on Schedule K-1 (565) the amounts of cash and marketable securities, and other property from federal Schedule K-1 (1065), box 19.

Other Information

Line 20a and Line 20b – Investment Income and Investment Expenses

These lines must be completed whether or not a partner is subject to the investment interest rules.

Enter on line 20a only the investment income included on line 5, line 6, line 7, and line 11a of Schedule K (565) and Schedule K-1 (565). Enter on line 20b only investment expenses included on line 13d of Schedule K (565) and Schedule K-1 (565).

If items of investment income or expenses are included in the amounts that are required to be passed through separately to the partner on Schedule K-1 (565), items other than the amounts included on line 5 through line 9, line 11a, and line 13d of Schedule K-1 (565), give each partner a statement identifying these amounts.

Investment income includes gross income from property held for investment, gain attributable to the disposition of property held for investment, and other amounts that are gross portfolio income. Investment income and investment expenses generally do not include any income or expenses from a passive activity.

Property subject to a net lease is not treated as investment property because it is subject to the passive loss rules. **Do not** reduce investment income by losses from passive activities.

Investment expenses are deductible expenses (other than interest) directly connected with the production of investment income. Get the instructions for form FTB 3526 for more information.

Line 20c – Other information

See the instructions for the federal Schedule K (1065), line 20c, Other Items and Amounts. For credit recaptures attach a schedule including credit recapture names and amounts.

Supplemental Information

The partnership may need to report supplemental information that is not specifically requested on the Schedule K-1 (565) separately to each partner. If the partnership has supplemental information not included in lines 1-20b, write, "See attached" on line 20c, column b and column d and provide a schedule with the details.

Partners may need to obtain the amount of their proportionate interest of aggregate gross receipts, less returns and allowances, from the partnership.

Alternative minimum taxable income does not include income, positive and negative adjustments, and preference items attributed to any trade or business of a qualified taxpayer who has aggregate gross receipts, less returns and allowances, during the taxable year of less than \$1,000,000 from all trades or businesses in which the taxpayer is an owner or has an ownership interest. The partnership should provide the partner's proportionate interest of aggregate gross receipts on Schedule K-1 (565), line 20c.

For purposes of R&TC Section 17062(b)(4), "aggregate gross receipts, less returns and allowances" means the sum of all of the following:

- The gross receipts of the trades or businesses which the taxpayer owns.
- The proportionate interest of the gross receipts of the trades or businesses which the taxpayer owns.
- The proportionate interest of the pass-through entity's gross receipts in which the taxpayer holds an interest.

"Aggregate gross receipts" means the sum of gross receipts from the production of business income, within the meaning of subdivisions (a) and (c) of R&TC Section 25120, and the gross receipts from the production of nonbusiness income as defined in subdivision (d) of R&TC Section 25120.

For purposes of this section, "pass-through entity" means a partnership (as defined by R&TC Section 17008), an S corporation, a regulated investment company (RIC), a real estate investment trust (REIT), and a REMIC.

See R&TC Section 17062 for more information.

Also show on line 20c a statement showing each of the following:

1. Each partner's distributive share of business income apportioned to an EZ, LAMBRA, MEA, or TTA.
2. Each partner's distributive share of business capital gain or loss included in 1 above.

Analysis – Schedule K (565) only

Line 21a through Line 21b(2)

For the instructions for line 21a through line 21b(2) of Schedule K (565), see the instructions for federal Schedule K (1065), Analysis of Net Income (Loss).

Other Partner Information – Schedule K-1 (565) only

Table 1

Enter the partner's share of nonbusiness income from intangibles. Because the source of this income must be determined at the partner level, do not enter income in this category in column (e). If the income (loss) for an income item is a mixture of income (loss) in different subclasses (for example, short-term and long-term capital gain), attach a supplemental schedule providing a breakdown of income in each subclass.

Enter nonbusiness income from intangibles in Table 1 net of related expenses.

Table 2

The final determination of unity is made at the partner level. If the partnership and the partner are unitary, or if the partnership is uncertain as to whether it is unitary with the partner, it should furnish the information in Table 2.

Part A. Enter the partner's distributive share of the partnership's business income. The partner will then add that income to its own business income and apportion the combined business income.

Cal Code Regs., tit. 18 Section 25120 defines "business income" as income arising from transactions and activity in the regular course of the taxpayer's trade or business and includes income from tangible and intangible property if the acquisition, management, and disposition of the property constitute integral parts of the taxpayer's regular trade or business operations. In essence, all income which arises from the conduct of trade or business operations of a taxpayer is business income.

Part B. Enter the partner's share of nonbusiness income from real and tangible property that is located in California. This income has a California source, and should also be included on the appropriate line in column (e).

Nonbusiness income is all income other than business income.

Part C. Enter the partner's distributive share of the partnership's property, payroll, and sales factors.

SCHEDULE K FEDERAL/STATE LINE REFERENCES

California Schedule K (565) has been modified to better assist taxpayers to transfer amounts from their federal Schedule K (1065) to their California Schedule K. The modifications consist of reordering the line items to be in a similar format to the federal Schedule K. The new reference chart shown below will assist the taxpayer in transferring the amounts from one schedule to the other. The chart cross-references the lines on the federal Schedule K (1065) to the appropriate line items on the California Schedule K (565). For detailed instructions, refer to the ~~Schedule K and Schedule K-1 Specific Line Instructions in this booklet.~~
